refugees.org

This year we celebrate the United States' recommitment to welcoming refugees from around the world.

Our country is slowly recovering from the anti-refugee and anti-immigrant policies of the last four years. In addition to overturning the Muslim Bans and Remain in Mexico program, the Biden administration has committed to welcoming up to 125,000 refugees in the coming year.

As the largest refugee resettlement agency in Iowa, USCRI Des Moines stands ready to assist our newest neighbors – beginning with welcoming new families at the airport, to helping them find their first job and enroll their children in school. As an advocate, we will continue to use our voice to promote policies and services that help refugees become vital members of their communities.

On Thursday, October 14th, we will host our third annual *Welcoming Iowa* benefit. This year's event will be an opportunity to gather in person and experience what hospitality looks like in different cultures. The program will feature food from around the world, musical entertainment, and a short program. Our goal is to raise \$50,000. **Your support as a sponsor of this special event will empower local refugees and immigrants as they rebuild their lives in Central Iowa.**

Attached, you will find our list of sponsorship levels and incentives. To donate, please visit us at www.refugees.org/welcome or complete and return the attached sponsorship form. You can also learn more about us on our website www.refugees.org/desmoines or visit us on Facebook www.facebook.com/uscridesmoines.

Thank you in advance for your generosity.

Sincerely,

Kerri True-Funk
