*Pro Bono Afghan  
Legal Services*

USCRI is offering free legal assistance to Afghans under its PALS program. By working with attorneys across the country, USCRI is connecting pro bono attorneys with Afghans who need assistance with their SIV applications, parole status, employment authorization documents, or other immigration legal matters.

If you are an attorney wishing to volunteer and provide legal services to Afghans, please email the PALS program at [pals@uscrimail.org](mailto:pals@uscrimail.org), or call 984-349-0080.
